Welcome to North Idaho Cataract & Laser Center (NICLC) and the North Idaho Eye Institute. Our surgery center was established in 1991 offering surgical excellence in a compassionate atmosphere. Physicians and staff are devoted to offering surgical eye care with the utmost attention to your comfort and safety.

Our excellence is recognized by our national accreditation with AAAHC (The Accreditation Association for Ambulatory Health Care, Inc.) and Medicare.

Through North Idaho Eye Institute, the surgeons who provide your care are Ophthalmology Board Certified and have years of surgical experience. They specialize in cataract surgery including a full line of intraocular lenses (toric/monofocal/multifocal) with IOL implantation designed to correct a range of vision problems, near vision through distance vision. Our surgeons also provide expertise and have extensive experience in medically necessary corrective eyelid and other ocular surgeries.

The physicians of North Idaho Eye Institute diagnose and treat general ophthalmology needs including glaucoma, macular degeneration, diabetic eye disease, and other eye concerns.

Please review the enclosed information, complete forms, and bring them to your appointment.

Let us know if there is anything we can do to make your visit more pleasant. If you have questions about your upcoming appointment or the services we provide, please call us at 208-667-2531.

On behalf of the physicians and staff, thank you for trusting us with your eye care needs.

* Patrick Parden, M.D.
* Justin StormoGipson, M.D.
* Tad Buckland, M.D.

* Alison Granier, M.D.
* David Dance, M.D.
* Sara Duke, M.D.

Our surgery center is located on the lower level of the North Idaho Eye Institute.

Sincerely,

Karen Sines
Administrator

"Providing compassionate and exceptional eye care"
